POLITICAL SCIENCE
BARNARD COLLEGE

COLLOQUIUM APPLICATION
PLEASE CHECK DUE DATE ON BULLETIN BOARD

APPLICATIONS ARE DUE DURING THE SEMESTER PRIOR TO TAKING THE COLLOQUIUM.

Please complete both sides of this application and leave it in the designated envelope on the Political Science bulletin board next to 417A Lehman Hall. Enrollment is limited to sixteen students in order to guarantee students a small class. The rosters of admitted students will be posted on the Political Science bulletin board next to 417A Lehman Hall within two weeks of the application due date. Every Political Science major must take three colloquia. See also http://polisci.barnard.edu/colloquia for additional detail. Priority is given to Barnard political science majors with seniors receiving top priority and then juniors. Colloquia are not suitable for first-year students. Sophomores will be admitted as room permits at the discretion of the instructor. You must have successfully completed the prerequisite (please list below). When making your colloquium selection, please keep in mind that it is to your benefit to choose one in the field of your anticipated senior essay topic. Be sure to attend the first class session to secure your place in the course.

I. STUDENT INFORMATION

Graduation (mo/yr) ________________

Name __________________________ Mailbox number __________________

Email address _____________________ Cell phone ______________________

School & major ____________________ Major advisor ___________________

Combined major/senior project? __________________________
